Your Neighborhood Economy

This is a profile of your neighborhood economy. To see what areas your community is doing well in and where more should be done to ensure access to good jobs, small businesses, and development, see ANHD’s 2016 Neighborhood Economy Chart.

Residents without Internet Access

28%

Why having Internet matters
Residents and small businesses need better access to the internet in order to create and share more employment opportunities, be part of a skilled labor force, and participate in an increasingly interconnected world. 30% of New Yorkers do not have internet access at home. Is your neighborhood connected in the digital age?

Percent of People with Inadequate Emergency Savings*

62%

Why are savings important?
What would happen if you lost your primary source of income? Families with as little as $250 or more on hand in savings are less likely to miss utility payments or be evicted after a financial disruption.

Mean travel time to work (minutes)
30.4

Getting to work is important
The longer it takes to get to work, the farther people have to travel from their neighborhoods. Are there employment opportunities within your own neighborhood? And, if you and your neighbors are traveling out of the community to get to work, who is traveling in for the locally based jobs?

Percent of Local Jobs Paying Less Than $40K

67%

Why Local Jobs matter
People look for a leg up from their networks and connections, many of which are locally based. Local jobs provide employment and keep money circulating in a community. Do your neighbors share in the opportunities created through new development in your community?

Number of Small Business Loans

4,551

Why Small Businesses matter
Small businesses are cornerstones of our city and neighborhoods. They provide jobs, culturally relevant goods and services, and community. What happens when our small business are struggling? The number of small business loans in your neighborhood shows how much access to credit local businesses have to open and thrive.
